What is the benefit of taking multiple sessions?

Dance, like any other sport or hobby, requires repetition and practice in order to improve. Taking multiple sessions allows the dancer to develop skill, memory in technique, classroom structure, and vocabulary. In most cases, dancers who take multiple sessions prior to beginning in the fall are most successful.

More detailed information can be found on our website under “What do I need for dance class?” **On Your Toes does carry all supplies needed.**

Please take your dancer to the rest room before class. Please do not arrive at the studio more than 10 minutes prior to class start time.
