

Specialty Class Workshops - Class Descriptions

Fouettés and Beyond

A special class for improving technique involved in fouettes and various turns. ****Must be able to execute fouettes clean in order to attend this class.**

Showmanship Fundamentals

Join us for a crash course in acting for dancers. Learn how to better connect with music and interpret emotion both in your body and your face. This will help with recital and competition performances. Dance attire recommended.

Improvisation

A class devoted to allowing dancers to use their creativity by doing exercises to create various movement. Improv allows dancers to think quickly "on their toes" in performance opportunities.

Jumps, Leaps, and Turns

A class devoted to turns and jumps and the technique required to execute them properly. Dancers will receive a short warm-up and technical exercises along with specific instruction targeted to each dancer's level.

"College Combos"

This class is specialized for older teens or those in college who are looking for a more laid back style for movement but yet get a great workout in and have fun!

Ballet Variations

Intermediate and advanced ballet students will continue to build on their technical foundation, and enjoy learning some of the ballet solos from full length ballets. This is an opportunity to experience technique, dance history, and performance combined into one class. Variations will teach you stamina, spacing, stage presence, and many other essentials of performance.

Dance for Camera

Social Media is becoming a high networking site for dancers of all ages. Dancers will learn a combo and have guidelines for filming to safely and purposely post to social media. Learn how to work camera angles to capture the best performance.

Flexibility Training

This class focuses on safe stretching techniques, gaining an understanding of activating appropriate muscles for core & ankle stabilization, and improve awareness of dance technique through specific exercises. Dancers learn turnout control, gain general strength as well as endurance & flexibility through guided exercise.

Advanced Tumbling Tricks

Students will work on strength building and conditioning specific to developing and learning an aerial, head spring, back handspring, etc. This class specializes in dance team tricks.

Jazz Funk

A fusion of classical jazz technique, with commercial and hip hop influences. Dancers can expect an emphasis on musicality, and self-expression!

Yoga for the Dancer

Dancers will utilize the physical and mental practices of yoga to deepen their mind/ body connection. All levels welcome. Please bring a yoga mat.

Adult Jazz

Join us for a beginner/intermediate class for a warm up, stretch, progression and jazz technique. Comfortable clothing used, jazz shoes encouraged but not required.
