

Choosing the Right Studio for You

Why begin dance classes?

Dance is a wonderful art form in which individuals of all ages can participate and enjoy. It enables dancers to improve flexibility, coordination and strength. For children, especially, it enhances their large motor skills, social skills, self-confidence and self-discipline. Dance is something that can be started by anyone at any age and blossom into a favorite hobby, exercise plan or maybe even a career.

What should I look for in a studio?

- Knowledgeable instructors
- Pleasant and helpful staff members who take time to answer questions
- A proper dance floor is recommended. (On Your Toes has a professionally raised, non-slip dance floor that prevents injury and reduces fatigue.)
- Clean, friendly environment

What do I look for in an instructor?

- Instructor knows proper dance terminology
- Instructors should give corrections as dancers progress down the floor or stop and make adjustments.
- Students should respond positively to instructor
- Students should look like they enjoy their class and feel as if they belong

What should I expect to pay the first year?

(This is applicable at On Your Toes only)

- Monthly tuition that is paid at the beginning of each month.
- \$30.00 registration fee for all new students
- Purchase of appropriate dancewear (Please see "What Do I Need for Dance Class?")
- Recital fee: This fee includes costume, auditorium rental, recital tickets, recital programs, props, janitorial personnel, etc. The fee is divided into three payments for your convenience. Recital is optional, however, most dancers participate.
